Resistencias UV · 1.000h

Color stability to weather conditions · 4-5 (ISO 105B04 - 1000 H Class / 5)

Estabilidad del color a condiciones meteorológicas · 4-5 (ISO 105B04 - 1000 H Class / 5)

For easy daily maintenance of your Sunbrella fabric:

Brush away loose dirt before it penetrates

Clean up spills immediately after they occur, and spot clean individual stains before they set.

Para un fácil mantenimiento diario de su tela Sunbrella:

Quite la suciedad suelta antes de que penetre.

Limpie los derrames inmediatamente después de que ocurran y limpie las manchas individuales antes de que se fijen.
